## 105 Moreland Court

Custom home built for the owner. Great curb appeal with a circle drive and side load garage. The cul de sac lot on .84 acres provides for unbelievable privacy. Enjoy relaxing on the covered rear deck with skylights and ceiling fan, or the inviting side patio with beautiful landscaping. The transitional main level features a vaulted living room with tons of windows for terrific natural light. The kitchen and breakfast area with bay window open to the living room. The elegant dining room is quite large, with plenty of room for extra large furniture. In addition to the 1st floor master, there is another bedroom or office on the main level. Upstairs there are three ample sized bedrooms, a sewing or workroom and two walk-out storage areas, one of which could be easily finished into a large bonus room. Simply an incredible home and lot!
